Welcome and agenda overview with Chrystal Wood

- Review of the Purpose of SAC
- AWE Mission and Vision
- Progression of goals:
 - Each goal is split into quarters
 - Celebration of school data wall (mountains/data posted in the mobile)
- Attendance and Staff update
 - Student over 15% of absences (once/week) have decreased from 17 to 12 students.
 - We're fully staffed.
 - Additional support for our center-based SSN and DHH
- Ongoing assessments for Tiers 1, 2 and 3
 - All students have access to tier 1 instruction which allows students' proficiency to increase significantly when exposed to grade-level instruction
 - Tier 2 is for students who need more practice and/or reteach
 - Tier 3 are students who need specific support (mostly with specialized plans).
- Carry Over & MLO/Bond
 - Please vote!
 - Share a draft of plan of how to use the carryover \$
 - Enrollment went up drastically last year but currently are not at the level of prediction
 - \$8,000 per kid of payback
 - Pay educators for after school clubs
 - \$ Cost of Learning Without Tears Program (handwriting and typing resource)

- Planning Days for teachers to use for grading EPR (Elementary Progress Reports) and other planning needs
- Pay for Professional Development for staff
- Hire some retired staff members to support with intervention.
- Copiers? Mr. O is back to fix them. We will need to purchase parts for up them but not with this years' carryover money

- WatchDog Dads
 - Always looking for more dads/granddads/uncles, etc.
 - Help with watching front doors during events, mentorship with older students
